## Destiny Call\#'s

Prefix clean-up.

1. Go to Reports, Library Reports and select Collection Statistics - Summary.

| $\square$ | DVD |  | 0 [0.00\%] | 0 [0.00\%] | 0 [0.00\%] | 5 [0.02\%] | 14 [0.11\%] |

| $\square$ | GRAFK |  | 0 [0.00\%] | 1 [0.18\%] | 7 [0.13\%] | 20 [0.10\%] | 2 [0.02\%] |
| $\square$ | GRAFK_NOVL |  | 7 [18.42\%] | 66 [11.83\%] | 372 [6.82\%] | 862 [4.30\%] | 89 [0.71\%] |

| $\square$ | KIT |  | 0 [0.00\%] | 0 [0.00\%] | 0 [0.00\%] | 1 [0.00\%] | 19 [0.15\%] |

2. Identify Prefixes to are incorrect, or not consistently used, etc.

The numbers in the far right column are the number of copies that have this prefix.
3. If you need to check the records individually go to Catalogue, Library Search, Number tab, and search by call number. Search the questionable prefix and check the records.

|  | Library Search |  |  |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Library Search | Top 10 |  |  | Basic | Power | Visual | Copy Categories | Number | Be |
|  |  |  |  |  |  |  |  |  |  |
| Destiny Discover |  |  |  |  |  |  |  |  |  |
| Digital Resources |  |  |  |  |  |  |  |  |  |
| Add Title |  | Find | Call Number | V | AFK |  | Go |  |  |

4. We can't correct this with a "Global prefix update" because it a Prefix Update would only correct the "GRAFK" portion. We need to correct the whole call number, so click 1 of 1 available to display the copy- and edit the call number. Save your changes.

Also, because we only need to correct two call numbers, it's easier to do these here rather than going to the global prefix update.
5. If you don't need to check the individual call numbers attached to a prefix, but you want to either change the prefix (e.g. change GRAFK_NOVL to GN) or to combine two prefixes (e.g. if you had your Graphic Novels in a separate section and decided to combine these with "F" section) you could used the Global Update function under Catalog, Update copies. USE WITH CAUTION!!!! You cannot undo this.

6. From the Collection Statistics - Summary note the prefixes you want to change. In this example CRCAUDIO won't be used any longer, and these resources will now be combined with the other items in the AUDIO section.
